

EFIMED Short Scientific Visits 2007

1 BACKGROUND

EFIMED offers grants for *Short Scientific Visits* for researchers from any Mediterranean forest research and education organisation. These *Visits* provide a unique opportunity for interested candidates to get involved in international level forest research and research co-operation.

The aim of a *Short Scientific Visit* shall be to contribute to the scientific objectives of EFIMED and to strengthen the EFIMED network by allowing scientists to: visit an institution in another Mediterranean country, foster collaboration and learn a new technique, use methods and tools not available in their own institution. The *Visits* should take place during June-December 2007. Young scientists coming from the southern and eastern Mediterranean sub-regions are especially encouraged to apply.

The *Short Scientific Visit* should last for a minimum of one week (5 working days).

The topic of the *Visit* should fall within one of the EFIMED research topics:

I. Forest Ecology and Management

Sub-topics:

- *Multi-objective forest planning*
- *Forest growth and yield modeling (including non-wood forest outputs)*
- *Integration of the risk of forest fires in forestry decision making*
- *Climate change effects on forest ecosystems in the Mediterranean region*
- *Silvopastoralism*

II. Forest economics and policies

Sub-topics:

- *Valuation of forest externalities*
- *Cost-benefit analysis of forest projects, management practices and policies*
- *Analysis of policies related and supporting SFM and sustainable development*
- *Cross-sectoral policy impacts on forest lands*

III. Forest Resources and Information

Sub-topics:

- *Inventory and dissemination of information of Mediterranean forest-based products, services and externalities*

2 HOW TO APPLY

Candidates interested in a *Short Scientific Visit* should submit to marc.palahi@ctfc.es the following documentation:

Please fill in an Application Form as follows:

- Your application should be typewritten and dated (see below the form).
- The following appendices are required:
 - List of Publications
 - Work Plan of the short scientific visit (see below format of the work plan)
 - Endorsement by applicant's host

The application deadline is **15th June 2007**. Only those applications containing all the required annexes will be considered for evaluation.

Please note that for applying for the *Short Scientific Visit* you should have contacted the Host you are interested to work with. You should have tentatively agreed on the work plan and the suitable dates.

EFIMED will send to the Applicant an acceptance letter in which the grantee is informed about:

- the approval of the Mission
- the level of the financial grant given.

The applicant has to return such acceptance letter, after accepting the grant with his signature. The applicant will receive a payment request form at the same time.

After completion of the *Short Scientific Visit* the grantee has to issue a short scientific report on the *Visit*, which has to be submitted to EFIMED and the Host within 4 weeks after his/her stay. It should contain the following information:

- Purpose of the *Visit*
- Description of the work carried out during the *Visit*
- Description of the main results obtained
- Future collaboration with host institution (if applicable)
- Projected publications/articles resulting or to result from the *Short Scientific Visit* (if applicable)
- Confirmation by the host institute of the successful execution of the mission
- Other comments (if any)

3 EVALUATION CRITERIA

The evaluation of the candidates is delegated to the Advisory Group of EFIMED. The applicants are selected on a competitive basis according to the selection criteria stated below. The applicants will be informed of the outcome as soon as the selection process has been finalized.

The following criteria are used in selecting successful candidates:

- The relevance of the research topic within EFIMED
- The applicant's previous experience and work on the proposed research topic
- The applicant's previous academic success
- The overall quality of the work plan
- The support and feasibility of the work planned at the host institution.

4 FUNDING

The grant should cover only travel (cheap transportation means) and subsistence. The financial contribution for a *Short Scientific Visit* will be based on a daily allowance of 110 €. The total of the grant shall normally not exceed 2500€.

Payments will be executed after completion of the *Visit* and submission of the following documents:

- Approved Short *Visit* Scientific Report
- Completed Payment Request Form
- Supporting documents of the incurred expenses: visa costs, airport taxes and medical insurance if compulsory to leave the country

An advance payment may be made in exceptional circumstances, which will require additional special justification.

5 HOST INSTITUTION

The applicant is responsible for obtaining the agreement of the host institution before submitting his application.
